We're partnering with THPRD. We will be planting in the areas that we've recently cleared & where we planted in 2009 in order to fill in the gaps due to mortality. In addition we will continue to remove ivy and blackberry. This can be a fun family outing as well as a learning experience for kids students and adults. Let's keep up the good work. We've ordered over 1000 shrubs and trees so your help will be greatly appreciated. Refreshments will be provided. If you'd like to volunteer or need more info contact: David Kamin at 503-291-5715 or Email: davidk@johnlscott.com.

Directions to the park: From NW 173rd AV proceed west on Autumn Ridge Dr to the park entry less than .1 of a mile.
